Conscious Connections

Have you ever wished you could stop the merry-go-round of life, and live life from a place of inner peace?

Are you tired of do, do, do-ing in an attempt to escape the prison of weight, stress, lack, pain and depression? The lie the world has bought into is that you have to "do" more, "have" more, "get" more to then *live* the life you desire.

AWAKEN TO THE TRUTH~ THE WAY OF PEACE!

Come & Experience a full day of Feasting of the Mind, Body, Heart & Spirit! Experts, Entrepreneurs and People just like you sharing their passion, and how they went from a do-aholic to a lifestyle of being and experiencing the life they love! They will share their favorite tools, resources and products that increase their vitality, joy & peace. This is only for those really ready to let go of the treadmill in exchange for greater abundance, peace and living their dream.

At Conscious Connections you'll receive:

- The 13 Laws of Consciousness: a map that WILL Transform Your Life!
- Answers: Find out what is within you that determines your results.
